

Assigned Staff Person Birthdays

Let's celebrate our awesome staff members! Listed below is each class and who they are assigned to provide a birthday lunch for (this is in addition to providing a birthday lunch for your own teacher). Be sure to contact your assigned person ahead of time to coordinate what day you are bringing it up there & what they specifically would like to eat. Refer to their Favorites List for ideas. If your person has already had their birthday or it is a summer birthday, still plan to celebrate it but as an early or belated celebration.

*Afterwards make sure to fill out the reimbursement form, attach receipts & turn it in. You will be reimbursed up to \$12.
