

Mrs. B's Birthday is

November 28th!!!

I wanted to let you all know that our fabulous teacher/ science teacher/
school counselor (etc..) has a birthday coming up!

I will be providing her with lunch, which you may contribute to, or get her a
gift if you like. I will attach her "Favorites" sheet to this.

You may have your child bring it to class on this day or I can bring it in with
the lunch.

It's a great opportunity to show her how much we appreciate the time,
energy and love she gives our children everyday!

Thanks so much!!!
